

Grange and District Community Alert

It is a wise person who records the serial number from all their valuable equipment, eg. Bicycles, trailers, lawnmowers , laptops etc. To facilitate this beneficial task Grange Community Alert have made available, in local businesses, a form that will help to keep these records. Simply, collect a form, write in the information from each of your items on the form & keep in a safe place & in the event an item of yours goes missing, this information will assist the Gardai in locating the item.

Personal Alarms: Peace of mind at the touch of a button. It's not unusual to feel worried or frightened when on your own. All households today could benefit from a little extra reassurance, whether it is protection from personal injury, a fall, burglary, fire, gas leak or a bogus caller. Grange and District Community Alert Group is registered with the Seniors Alert programme to access funding for personal alarms on behalf of eligible individuals in the area. Please contact Heather McDonnell on 0867842530 or any committee member to avail of this funding.

**Happy
Father's
Day**

"Walk a little slower, daddy",
said a little child so small.
"I'm following in your footsteps
and I don't want to fall.

Sometimes your steps are very fast,
Sometimes they're hard to see.
So walk a little slower, Daddy,
For you are leading me.

Someday when I'm all grown up,
You're what I want to be;
Then I will have a little child,
Who'll want to follow me.

And I would want to lead just right,
And know that I was true;
So, walk a little slower, Daddy,
For I must follow you."
