

Padraig Foley 50th Birthday Memorial Leisure Cycle

The success of this leisure cycle would not have been possible without the help of so many people such as the ladies who took registration on the day, supplied all the wonderful food (people are still talking about the food), those that helped in the kitchen and at the refreshment breaks and helped with parking. The lads on the motorbikes and in vans driving in front and behind cyclists, they did a great job not only ensuring the safe return of all, but that we didn't get lost along the way, everyone who lent bikes, helmets, road signs and helped with marking the roads prior to the cycle. Eomann Dowdigan for his excellent road signs, Fergus Geelan from Bipedal Cycles who was there to offer roadside assistance to any cyclist that needed it, the committee of the sports complex for the use of the facilities and Mary for sending us on our way. Edward Moran for supplying a wonderful band 'Backwater Jack' thank you, and all the members of the band whose great music that night made sure we cyclists didn't suffer with sore muscles or cramps. To Johnny and Helen Burke, Martina Mullaney, Noreen and Patsy Barry for their spot prizes and Benbulbin F.C for all their help again thank you. To the large number of cyclists many of whom came such long distances and those who donated money, we Padraig's family would like to thank you all most sincerely. To date we have raised in Padraig's name for the Donal Parsons Trust €2249.00 so well done to everyone.
