### **John Paul II Awards**

This award involves young students in our parish in activities; social, civil & church related. In the last few years, we've had students from the parish involved & just recently the following were given Gold Awards for work completed during their TY year: Sinead Keogh, Ruairi Brady, Amanda Healy & Michaela Clancy. Congrats to all! This year we have 10 students signed up from Colaiste Cholmcille, Ballyshannon & Summerhill College, Sligo. **I am looking for any ideas that will help young people participate in our church.** Many thanks to all our students who undertook these awards; giving up their time & talent to our church. St Pope John Paul II had a great love for young people. He regarded them as the future of the Church, & challenged them to do their best for the good of humanity. They will bring the Good News forward.
