Grange and Armada Development Association - Christmas in the Courthouse.

Sunday 21st December at 7 pm

Join us for our inaugural evening of Christmas songs and music as you enjoy and absorb the ambience and spirit of Christmas amongst friends and neighbours. We will have a number of extremely talented singers and musicians playing including the Grange Choir, The Firesiders, Heidi & Dave, Mary Lenehan, Peter Mooney, Luke Devanney and many more. So please join us on the evening and see the work that GADA are carrying out in the courthouse for yourselves. Everybody of all ages is welcome.

Education

“We are living in an information-driven society which bombards us indiscriminately with data, all treated as being of equal importance, and which leads to remarkable superficiality in the area of moral discernment. In response, we need to provide an education which teaches critical thinking and encourages the development of mature moral values”

“Universities are outstanding environments for articulating and developing and evangelising commitment in an interdisciplinary and integrated way. Catholic schools, which always strive to join their work of education with the explicit proclamation of the Gospel, are a most valuable resource for the evangelisation of culture, even in those countries and cities where hostile situations challenge us to greater creativity in our search for suitable methods.” **Pope Francis**

May the Peace and Joy of Christmas be with you now and always.

Remembering especially those

*who will find this Christmas difficult for whatever reason and
praying Gods' blessings upon us all.*

May 2014 bring our world a lot closer to peace.
