"The Church is called to be the house of the Father, with doors always wide open. One concrete sign of such openness is that our church doors should always be open, so that if someone, moved by the Spirit, comes there looking for God, he or she will not find a closed door. There are other doors that should not be closed either. Everyone can share in some way in the life of the Church; everyone can be part of the community, nor should the doors of the sacraments be closed for simply any reason. This is especially true of the sacrament which is itself "the door": baptism".

from Pope Francis' apostolic exhortation, Evangelii Gaudium

Grange Post Primary School – 80th Anniversary

We invite all Grange Post Primary Staff & Students past & present, the Grange and surrounding community to join with us on the evening of 12th December to celebrate the school's 80th anniversary. The evening will mark the milestone with a warm, nostalgic walk down memory lane & a gentle nod to the future. We hope that past Staff & Students with photos or stories will make contact with the school in the coming weeks to enrich the materials on show & start interesting conversations! We also seek our oldest living male & female past students & the families with the longest or most interesting Grange Post Primary traditions – we are hoping you will surprise us. So come on Grange & get the conversations started!

"The Eucharist, although it is the fullness of sacramental life, is not a prize for the perfect but a powerful medicine and nourishment for the weak. These convictions have pastoral consequences that we are called to consider with prudence and boldness. Frequently, we act as arbiters of grace rather than its facilitators. But the Church is not a tollhouse; it is the house of the Father, where there is a place for everyone, with all their problems"

The **Childrens Rosary** to be held in the church this coming **Friday, 5th of December** at 3.05 children, parents and extended family are all welcome.
