Grange Post Primary School – 80th Anniversary

We invite all Grange Post Primary Staff & Students past & present, the Grange and surrounding community to join with us on the evening of 12th December to celebrate the school's 80th anniversary. The evening will mark the milestone with a warm, nostalgic walk down memory lane & a gentle nod to the future. We hope that past Staff & Students with photos or stories will make contact with the school in the coming weeks to enrich the materials on show & start interesting conversations! We also seek our oldest living male & female past students & the families with the longest or most interesting Grange Post Primary traditions – we are hoping you will surprise us. So come on Grange & get the conversations started!
