*Issue 8, Saturday, 28th Feb 2015.*

Mahlet's parents work hard every day to feed their children, but without the resources to cope with the changing climate, they are fighting for their future. But there is hope. Thanks to your support, the community is building a system to water the land, so they don't have to rely on unpredictable rainfall. This Lent, please support hard working families to fight drought and hunger - together we can fight poverty and injustice. **Donate to Trocaire.**
