Beatification of Oscar Romero (Saturday, 23rd May)

Archbishop Romero was a courageous and inspirational leader with whom Trócaire was honoured to work and support. He was a close friend of Trócaire, as well as a valued partner. He was a man who used his conviction of faith and his position as Archbishop to defend and protect the weakest members of society. He was an outspoken champion of the powerless and the poor, and was ultimately murdered for his unflinching defence of human rights.
