The measure of love is to love without measure.' ~St. Augustine

May you always have an angel by your side, watching out for you in all the things you do, reminding you to keep believing in brighter days, finding ways for your wishes and dreams. May you have hope that is certain as the sun, giving you the strength of serenity as your guide. May you always have love, comfort, courage and may you always have someone by your side. May you have someone there to catch you if you fall, encouraging your dreams, inspiring your happiness, holding your hand and helping you through it all. And may you always have an angel by your side.
