70th North Sligo Agricultural Show

Congratulations to the Show Committee on this wonderful achievement of sustained community activity. It truly represents the heart of our working people in agriculture, and the culture and tradition of this area.

It's also great to see so many generations of our families working together to make this possible and indeed to see many of our recently moved in resident participate. It's a long year of preparation for just one day, like preparing for a family wedding.

We hope for good weather, a good turnout & everyone to enjoy themselves.

Congrats to everyone who have made this possible for all their years and we may have many more to come.
