

We are moulded, each one of us,
in the image of God,
and within our souls there is a fingerprint
none can erase.

We pray for those who have no regard
for anyone but self,
who put no value on human life.

For nations and individuals who abuse and kill.

We are not called to be judge or jury,
but we are called to be agents of change,
and if the butterfly that flaps its wings
should be our attitude to others
then so be it, Lord,
and may the hurricane this generates
somewhere within the world
reach into the hearts and souls of those
for whom we pray, and reveal to them
how precious are those
for whom they have no love,
and how precious are they
who now bring tears to the eyes of God

Heavenly Father,
It's time for me to forget the past, forget
the mistakes, and focus on what you are
doing in my life today. I know you are
doing a new thing. You are placing the
right people in my life and removing the
wrong ones. You are closing old doors and
preparing me for new opportunities.
The pruning process can be uncomfortable
and painful, but I know it's for
my good. I trust you.
In Jesus' name.
