Vocations Sunday

This weekend we celebrate the 54th World Day of Prayer for Vocations. In his message, Pope Francis says that "commitment to mission is not something added on to the Christian life as a kind of decoration, but is instead an essential element of faith itself. A relationship with the Lord entails being sent out into the world as prophets of his word and witnesses of his love." Ask God what He wants for your life and know He only wants what is good for you. If you feel you are called to the priesthood or religious life, it will be the path to great joy and contentment. See Vocations section
