The family is the primary setting for socialization, since it is where we first learn to relate to others, to listen and share, to be patient and show respect, to help one another and live as one.

Family gathering issues call for 3,000 volunteers

Organisers have issued an appeal for at least 3,000 volunteers to assist with the planning and organising of the World Meeting of Families and expected papal visit to Dublin next year. The volunteer recruitment drive is also asking for participants for the "Host a Pilgrim/Family" programme, with the aim of hosting pilgrims in family homes based in and around Dublin (inform your Dublin friends of this).

We are looking for people with a welcoming, positive and flexible attitude, who can work as part of a team to assist the thousands of pilgrims who will come to participate in the World Meeting of Families.

Volunteers must be resident in Ireland, over 18 years of age and respectful of the Catholic ethos of the event. Visit <http://www.worldmeeting2018.ie/volunteer/> to apply. Applicants interested in hosting a pilgrim, or a family, in their home, are invited to email volunteer@worldmeeting2018.ie and insert "Host a Family" in the subject field.
