Inspire

We welcome the new healthcare group "Inspire" to our parish. Inspire is the new name for NIAMH – Northern Ireland Association for Mental Health. This group has set up in Grange in October 2017, in the former offices of Gilroy Tiling. They develop day services for clients with special needs. We wish them every success + blessing in this good work. Visit www.inspirewellbeing.org.

Towards Peace

The vision of Towards Peace is to provide a safe supportive space, where people who have been affected by abuse in a Church context can be accompanied, as they seek their own experience of spiritual peace, one step at a time. Up to nine sessions with a specially trained spiritual companion can be made available; there is no fee.

Spiritual direction offers a safe space to attend to your own spiritual life and sense of the Sacred. It is an ancient practice in many religious traditions. Within the Christian tradition, spiritual direction offers a way to tune into the presence of God's love within your own life. For more info visit www.towardspeace.ie or phone 015053028.

Without contraries is no progression. Attraction and repulsion, reason and energy, love and hate, are necessary to human existence.
