### Mile Buíochas

I wish to put on public record through our Christmas newsletter, a genuine expression of thanks to everyone involved in the service of our parish and our church. All age groups, from the newest altar server to the longest serving collector, choir member or altar society member, offer their time and gifts for the good of our parish community. The time that you give and the tasks that you do are acknowledged and deeply appreciated. You make a difference for good by the quiet generosity of your voluntary presence. As a parish, we are truly blessed and fortunate to have people who are motivated and dedicated and who work cohesively as teams in their willing involvement to take on the numerous areas of work and service that are carried out with a loyalty and love for our parish.
