Prayer of the Faithful on the theme of Respect for Life:

For all those who give their time and energy to the defence of human life – that God, who is the author of life, may give them courage and renew their energy. *Lord hear us.*

Choose Life Quote

“Human life is sacred and precious. Every human being must be treated with the greatest respect. This is true in every moment of life from its first beginning to its natural end. This respect for life is shared by people of all faiths and none. While it is enriched by our Catholic faith, it is our common humanity that convinces us of the right to life of every human being”.
