Choose Life Quote

“Life itself is the most precious gift of all. In these days we are all very aware of the need to protect the life of every child in the womb. However, it is paradoxical and in some ways the ultimate delusion, to extinguish this most fundamental right of all, the right to life of the innocent child, in the name of personal and civil rights. May the Lord open our eyes to see the image of God in every child at every stage of their lives.”

Prayer for Vocations

God our Father, send workers into your harvest. May the Holy Spirit we received in baptism touch the hearts of many to offer themselves in priesthood, religious life and other forms of service. Give the parents and families in our diocese the wisdom and courage to support young people searching for the following call of God in their lives.

Amen.
