Season of Creation

Here is a short creed summarising what Christians believe about creation.

We believe in God the creator of light and darkness, of land and sea, of heaven and earth, of woman and man. We cherish and protect the earth as God's creation. We appreciate the gift of water that endlessly renews and sustains life. We give thanks for the spring and the summer, the sowing and the harvest, the sun and the moon, the wind and the rain, the mountain top and the seashore. We believe that God created a beautiful world and that it is our responsibility to hand it on to our children and our children's children.

Medical Missionaries of Mary

The Medical Missionaries of Mary are an international congregation of religious women, founded over 80 years ago by an Irishwoman Mother Mary Martin in Nigeria. They work in 8 African countries, South and Central America as well as Ireland and England. Since their foundation and in keeping with their charism (to care for the mother and child), our sisters spend their lives caring for the sick and those who are on the margins of society because of poverty, illness or hunger. We go where the need is great when there was a tsunami in Honduras our sisters went to help the people to rebuild their lives.
