Best of Luck Mona in the Youth Olympic Games

Mona McSharry departed for Buenos Aires, Wed 3rd Oct to compete in the Youth Olympic Games. Mona will swim the 50 metres, 100 metres & 200 metres breaststroke + the 50 metres freestyle. Mona was interviewed for the Sports Section of The Irish Times, Thur 20th Sept. The piece below is taken from that article: In Sligo, Mona McSharry is also very aware of what other swimmers can do, but says all she's thinking about now is her own plans. World Junior Champion in the 100m breaststroke, she's competing in the sprint distances – 50m, 100m and 200m for breaststroke and 50m freestyle in Argentina. McSharry says: "I'm really excited about the Olympics. It's my last chance to go as I'm 18 already, I thought I might even miss out on this one but I made it. The list of competitions changes when you're over 18 so it's good to do them all now." In the pool six days a week, it's an early start at 04.45am, for a two-hour training session followed by school at Colaiste Cholmcille and then back to the pool or the gym. Time management, she says, it's just about managing your time. She makes it sound like the easiest thing in the world. And she's taking the same calm approach to the Youth Olympics, saying: "I try not to predict what will happen, first there's heats, then semi-finals and finals. It's step by step. I know after this I'm taking a year off to concentrate on swimming, I want to try for the Tokyo Olympics."

Wheelbarrow Championships

- A massive thank you to all who supported the All Ireland Wheelbarrow Championships at Sligo IT.
- North Sligo AC in partnership with Friends of Sligo University got together to raise funds for a bereavement room at Sligo University Hospital. Thanks to your help we raised €15,000. We reached our target and this will now make the bereavement room a reality. This dedicated room beside the maternity unit will help ease the pain and sense of loss that many parents feel after the death of a baby when they are at their most vulnerable. Your generosity will help heal many hearts in the years to come. Thank You.

Day for Life 2018

Today (Sunday 7th October) is Day for Life which is celebrated annually by the Catholic Church in Ireland, Scotland, England and Wales. It is a day dedicated to raising awareness about the meaning and value of human life at every stage and in every condition. The focus this year is human trafficking. The Catholic community can make a real difference to help solve this problem – to help victims find freedom and live life to the full. We encourage you to deepen your understanding of Catholic Social Teaching on this important question by exploring the material prepared by the Irish Catholic Bishops' Conference
