**Towards Peace** is a service offering spiritual support to those who have experienced abuse perpetrated by Church personnel, individually or institutionally. The vision of **Towards Peace** is to provide a safe supportive space for people and their families, whose spiritual life has been damaged by abuse. It is also a response to the continually growing understanding of the spiritual impact of the trauma of abuse. Towards Peace provides spiritual support through one-to-one spiritual direction sessions, with a qualified spiritual companion. If you have been abused and would like a space to reflect on the impact of the trauma of abuse on your own relationship with God and spirituality, *Towards Peace* is here for you.
