Pope Francis to Young People

Pope Francis has published his Post-Synodal Apostolic Exhortation to young people and to the entire People of God, entitled *Christus vivit (Christ is Alive)*. People of all ages are encouraged to read it. It is the fruit of planning, consultation and over three weeks of deliberation involving bishops and young people from around the world who attended the Synod in the Vatican last October. Pope Francis says that he allowed himself to be “inspired by the wealth of reflections and conversations of the Synod” on young people. You can find the full text on www.elphindiocese.ie.
