Community Help – Helen Kilfeather 0872069310

Hi everyone, hope everybody is minding themselves, I know it's a difficult time we are all going through, but we will get through this. Times like these make us appreciate what we have and who is in our lives and we should be thankful for being here. I have been lucky in what I have and feel I need to do something for those who are struggling so I am putting this out there and if ye can help in any small way thank you. Families are under pressure especially this time of the year and the arrival of Santa in the next few weeks so I'm looking for donations of new toys and new children's clothing any age (not worn), even if you could donate something new for mums and dads (hope you understand they need to be new due to COVID) I will be giving them to local charity in Sligo. Thank you.

Discovering Your Call

Every vocational decision involves trying to understand what God wants, not just what you might want yourself. God wants your happiness as much if not more than you want it yourself. So what I would suggest to any young person is that you develop the habit of sitting in the presence of God in some quiet place. Ask him to give you the wisdom to recognise the gifts that he has given you and to show you how he wants you to use them. Look at what is in your heart; not just on the surface but deep down. Don't be afraid to share your questions and your hopes with some wise person of faith whom you trust. Take your time. God has all the time in the world.
