

It's the action, not the fruit of the action, that's important. You have to do the right thing. It may not be in your power, may not be in your time, that there will be any fruit. But that doesn't mean you stop doing the right thing. You may never know what results come from your action. But if you do nothing, there will be no result.

Mahatma Gandhi

All happenings, great and small, are parables whereby God speaks. The art of life is to get the message.

Malcolm Muggeridge

We are not human beings on a spiritual journey. We are spiritual beings on a human journey.

Steven Covey

Joy is what happens when we allow ourselves to recognise how good things really are.
