

A gracious approach to a person is the key that unlocks the treasure of encounter. We are more interested in 'connection' rather than communion.

Synodal Pathway in our Diocese

The Catholic Church throughout the world is holding a series of conversations about what God wants of his people at this time. These conversations are often referred to as a Synodal Process. We have now launched an online survey so that anyone who wishes to offer their own thoughts can do so at www.elphindiocese.ie/synodsurvey The survey will be live until Easter Sunday. The fruit of these conversations and submissions will be gathered in a report from our diocese that will feed into a national report which, in turn, will be submitted to Pope Francis later this summer. See www.synod.ie and www.elphindiocese.ie/synod to learn more.

Rosary at the Grottos

The Rosary will be prayed each day during the month of May at hundreds of grottos around the Island of Ireland. To see a list of locations, or to register a grotto (or other suitable location) simply visit www.coastalrosaryireland.ie You can also register by texting 087 278 6552. We are praying for Ireland and for peace in the world.
