

Cliffoney Community Forum

The Cliffoney Community Forum was formed in 2019 and is a voluntary group working to represent our collective interests and to secure public funding for local projects and initiatives that enhance the lives of all the residents of our community. To now qualify for larger funding opportunities we now need to create an overall Community Plan for the Cliffoney Area. Members of the community are invited to assist in the creation of this plan over the course of three meetings in Cliffoney Hall at 7:30pm:

- Tuesday 13th September: to discover the main issues and topics of concern to local residents
- Tuesday 4th October: to listen to each other and clarify what we want
- Tuesday 25th October: to decide how to act on these findings and set priorities

Cliffoney Men's Shed

Thanks to Chairman Micheal Kelly who has hosted the Men's shed polytunnel on his land in the village. We would also like to thank Mullaghmore Active Community and members for hosting the Men's Shed since its inception. A wood turning lathe and ancillary machinery has been purchased and, under the expert tuition of PJ Wymbs, some lovely pieces have been made as our members take on new skills.
