World Mission Sunday-22 October 2023: is the one Sunday of the year when the entire global Church comes together in support of mission. It is the Holy Father's annual appeal for spiritual and financial support so that the life-giving work of overseas mission and missionaries can continue. This weekend, collections will take place in every single parish where the Church is present. It is a moment of universal solidarity when each member of the church family, regardless of location or background, play their part in supporting each other. All offerings and donations made on World Mission Sunday become part of the Holy Father's Universal Solidarity fund which provides Church centred infrastructure by helping communities build schools, clinics, parish halls and churches. It prepares the future leaders and carers of the Church by supporting the training of sisters, priests, religious brothers and catechists. It supports missionary programmes that protect and care for children's wellbeing by offering safe shelter, healthcare, education and hope for the future. **Missio Ireland** (Pontifical Mission Societies) coordinates World Mission Sunday. We are the Holy Father's official charity for overseas mission; his chosen instrument for sharing the gospel and building the church throughout the world. Through the generosity of parishioners and donors, we can reach out to offer aid to struggling communities. We ensure resources are distributed equitably and justly, based on need, working through the local bishops, churches and missionary congregations. Thank you for your continued great generosity and kindness.
