

Catholic Schools Week 2024 in your School -The theme for Catholic Schools Week 2024 is Catholic Schools: Communities of Service.

Each of us belongs to a community. This might be our local GAA club, our village or our town. Catholics also belong to a special community of faith. We see this in our parish when people come together to pray to and worship God at Mass, to support each other in sad times and to celebrate important moments in life together. Jesus calls us to be a community and tells us that when we gather together in faith, hope and love, even in small numbers, he will be there too: *'For where two or three are gathered in my name, I am there among them'* (Mt 18:20)

Throughout his life and ministry, Jesus showed what it means to serve others, especially those on the margins of society. Every Catholic school is called to be a community that serves, inviting students to use their gifts and talents at the service of others. In our schools, we model love, kindness and care towards ourselves, others, God and creation. In this way, our Catholic schools are communities of service. This Catholic School Week, we celebrate and recognise the unique contribution our schools make at the service of our pupils, our communities and our Church. May the Lord bless us and guide us in being communities of faith, hope and love.
