World Day of Prayer for the Care of Creation – Pope Francis has established 1st September as the *World Day of Prayer for the Care of Creation*, encouraging the global Catholic Community to pray for our common home. Day is inspired by Pope Francis' landmark encyclical Laudati Si', which calls on every person living on the planet to care for our shared Earth. The theme for 2024 is "**Hope and Act with Creation**" which draws its inspiration from the Letter of St Paul to the Romans (Romans 8:19-25). In his message for the World Day of Prayer 2024, Pope Francis reminds us how the Holy Spirit "*keeps the believing community alert and calls it to conversion in lifestyles, to resist human degradation of the environment.*" The Holy Father calls us to live "*a life that becomes a song of love for God, for Humanity, with and for creation and that finds its fullness in holiness.*"
