

We are being asked to reflect on how we are to be organized as a Parish in the future. How would you see this being done? Please reflect on the following questions and send replies to ahamlishparish@gmail.com or directly to Fr. Christy.

i) "Is there a neighbouring parish with which you would say that your parish has natural connection or relationship? What possibilities do you see for closer pastoral co-operation between your parish and that neighbouring parish? Do you envisage a situation in which your parish might be amalgamated or otherwise joined with that parish? What would be the benefits and /or challenges of this?"

ii) "In the context of an aging clergy and fewer seminarians, what strategy would you propose and actively support to ensure that your parish continues to have diversity of ministry, including the ministry of priest, in the future?"

Please send replies to ahamlishparish@gmail.com or directly to Fr. Christy.
