

**In times of Conflict, pray this prayer to St. Francis by Pope Leo**  
**Pope Leo XIV shared this prayer with Franciscan leaders in early 2026.**

*“Saint Francis, our brother, who eight hundred years ago went to meet  
Sister Death as a man at peace, intercede for us before the Lord.  
You recognized true peace in the Crucifix of Saint Damiano, teach us to seek  
in him the source of all reconciliation that breaks down every wall.  
You who, unarmed, crossed the lines of war and misunderstanding, give us  
the courage to build bridges where the world raises up boundaries.  
In this time afflicted by conflict and division, intercede for us so that we may  
become peacemakers: unarmed and disarming witnesses of the peace that  
comes from Christ”. Amen*

**TO MINISTER DARRAGH O'BRIEN - Stop a Canadian corporation**  
**harvesting huge forests of seaweed from the west coast:** Handing over  
rights to a large corporation would leave communities with no input into how  
their land and environment was being treated. Seaweed forests are crucial for  
protecting communities and homes against costal erosion, providing the  
bedrock of the food chains, being a nursery for fish populations, while also  
being a rich part of the heritage and folklore along the west coast.
