**Pilgrimage to Fátima and Estoril- 13th June – 20<sup>th</sup> June 2026 from Dublin**  
**Why June 13th is so special?** It commemorates the **second apparition of Our Lady in 1917**. On that day, in the simple fields of the **Cova da Iria**, Our Lady appeared again to the children, encouraging them to continue praying the Rosary and to offer sacrifices for the conversion of sinners. She revealed her Immaculate Heart and promised that those devoted to it would receive special graces. Simply being in Fátima on this sacred anniversary is a grace in itself walking the very ground where Our Lady appeared, spending time in quiet prayer, and opening your heart to her message. Experience the peace, prayer, and beauty of Fátima at one of the most special times of the year - when the skies are blue, the sun is shining, and the weather is wonderfully pleasant. And the journey doesn't end there. After your days of pilgrimage, unwind with 3 relaxing days on the stunning Portuguese coast. Limited spaces available – <http://marian.ie>
