Pilgrimage to Fátima and Estoril- 13th June – 20th June 2026 from Dublin
Why June 13th is so special? It commemorates the **second apparition of Our Lady in 1917**. On that day, in the simple fields of the **Cova da Iria**, Our Lady appeared again to the children, encouraging them to continue praying the Rosary and to offer sacrifices for the conversion of sinners. She revealed her Immaculate Heart and promised that those devoted to it would receive special graces. Simply being in Fátima on this sacred anniversary is a grace in itself walking the very ground where Our Lady appeared, spending time in quiet prayer, and opening your heart to her message. Experience the peace, prayer, and beauty of Fátima at one of the most special times of the year - when the skies are blue, the sun is shining, and the weather is wonderfully pleasant. And the journey doesn't end there. After your days of pilgrimage, unwind with 3 relaxing days on the stunning Portuguese coast. Limited spaces available – to book go to <http://marian.ie>

Knock Pilgrimage to Pray for Peace in the Holy Land-People from all over Ireland are invited to Knock Shrine on Saturday May 16th for a special pilgrimage to pray for peace in the Holy Land. "As you know we had a fundraiser for MND (motor neuron disease) in the Surgery on Friday and to say we were blown away by generosity of the whole community. The amount of baking, the amount of people who turned up on a very bad day, the support was unreal. It was a very special day and quite overwhelming for those of us who work in the Surgery to see how everyone turned up for a cause that is close to the heart of this community at the moment. People arrived steadily from 10am to 6pm. As you may know two of our parishioners are currently affected by this difficult disease. While we want to respect their privacy, it was very clear that the community's awareness of their struggle was the reason for such an overwhelming outpouring of support. We would like to thank everyone who braved the weather, baked, donated and showed up. At the same time, we are very mindful that there are many others in our community currently facing their own struggles and serious illnesses. While this particular fundraiser was for MND, we don't want to overlook the quiet bravery of anyone else who is suffering right now. Yesterday was a powerful reminder of the strength and kindness of this community. **Thank you for your kindness from all in Grange Medical Practice. €4804.34 raised!**
