Sligo will welcome the spectacular **Galeón Andalucía**, the world's largest replica Spanish galleon, for a two week visit from 30 June to 13 July 2026. - Weather permitting, the Galeón Andalucía, will sail into Sligo Harbour on 30 June and prior to this it will pause offshore at Streedagh Beach, honouring the site of the 1588 Spanish Armada sinkings and acknowledging Sligo's deep historical connection to the story. Sligo is home to remembering the Armada Festival, and the group will launch its 2026 festival during this week. Visitors will be able to step on board for a self-guided tour, exploring the decks, cabins and maritime heritage of this spectacular ship. The experience is suitable for all ages and is likely to be a major draw for families, community groups, maritime enthusiasts and cultural visitors. The visit is hosted by & supported by Sligo Co. Co. with additional support from the Sligo Tourist Development Association (STDA) & Fáilte Ireland. This ship represents a powerful link between our coastline and one of the most compelling chapters in European maritime history. It's visit strengthens the bond between Sligo and the Armada story, honours those who were lost at Streedagh in 1588, and offers our community and visitors a unique opportunity to engage with this shared heritage. By anchoring the Spanish Armada story in a living, immersive way, the visit strengthens Sligo's coastal experience offering and encourages visitors to explore the county more deeply. Fáilte Ireland is pleased to support Sligo County Council and local partners in delivering an initiative that aligns with the objectives of the Sligo DEDP and the wider Wild Atlantic Way". The visit of the Galeón Andalucía supports Sligo's commitment to balanced tourism dispersal, encouraging visitors to explore coastal, rural, cultural and urban areas across the county. From Streedagh and Grange to Sligo town and the wider Wild Atlantic Way, the initiative complements the county's broader tourism strategy. Visitors will also be encouraged to use the Visit Sligo Ideas Engine — the county's personalised itinerary generator — to plan a full day or multi-day experience around their visit to the ship.

For full information on the visit go to www.sligo.ie

Pilgrimage to Fátima and Estoril- 13th June – 20th June 2026 from Dublin
Why June 13th is so special? It commemorates the **second apparition of Our Lady in 1917**. On that day, in the simple fields of the **Cova da Iria**, Our Lady appeared again to the children, encouraging them to continue praying the Rosary and to offer sacrifices for the conversion of sinners. She revealed her Immaculate Heart and promised that those devoted to it would receive special graces. Simply being in Fátima on this sacred anniversary is a grace in itself walking the very ground where Our Lady appeared, spending time in quiet prayer, and opening your heart to her message. Experience the peace, prayer, and beauty of Fátima at one of the most special times of the year - when the skies are blue, the sun is shining, and the weather is wonderfully pleasant. And the journey doesn't end there. After your days of pilgrimage, unwind with 3 relaxing days on the stunning Portuguese coast. Limited spaces available – to book go to <http://marian.ie>
