Beatification of Bishop Fulton Sheen

Fulton Sheen's missionary legacy hailed by Pope Leo XIV.

The Pontiff praised Venerable Sheen, who will be beatified Sept 24th, as "a light of faith, hope and love" whose radio and television broadcasts brought the Gospel to millions. Pope Leo XIV praised the missionary legacy of Venerable Archbishop Fulton J. Sheen, the famed American evangelist who will be beatified Sept 24th in St Louis, calling him "a light of faith, hope and love". The pope, recalling Sheen's long service as national director of the Pontifical Mission Societies in the United States. The pope noted that this year marks the 100th anniversary of Pope Pius XI's establishment of the penultimate Sunday of October as *World Mission Sunday*, a day devoted to "prayer, reflection, and contributing to the Church's mission of evangelization". Leo expressed his gratitude to those who promote the annual observance, which supports the Church's missionary work throughout the world.

There are beautiful Stained Glass windows depicting this connection. Also, Grange has a clerical connection to Croghan as our own Fr. Roddy Leonard Aughadad, was PP there for many years.
